

## **Residential Solar Power Contractor, American Solar, to Participate in the Greater Phoenix Chamber of Commerce's "Valley Young Professionals" Event**

*American Solar President Sean Seitz to Present "How to Create Your Entrepreneurial Passion"*

Scottsdale, AZ ([PRWEB](#)) November 04, 2011 -- [Residential solar](#) power contractor, American Solar, will participate in the Greater Phoenix Chamber of Commerce's Valley Young Professionals (VYP) event Tuesday, November 8, 2011. The event's topic is "How to Create Your Entrepreneurial Passion" and will be presented at ASU SkySong from 7:30 a.m. to 9:00 a.m.

VYP's purpose is to promote growth within the local business community and help members further their careers. The organization meets monthly to exchange ideas through networking, professional development and community involvement. This month's event will focus on how to develop a rewarding and fulfilling career as an entrepreneur.

"Succeeding as an entrepreneur or in corporate America takes a lot of hard work, determination and discipline," said Sean Seitz, president of American Solar. "But, success is more likely when professionals strike the right balance between what they love to do and what is most financially rewarding."

"During this presentation, we'll explore how and why entrepreneurial passion translates into greater professional, personal and financial gratification," continued Seitz.

As president and co-owner of American Solar, Sean Seitz oversees the sales, administration, and design operations. He also assists state and municipal leaders in their efforts to grow solar energy use in Arizona. Seitz is a founding member of the Arizona State University Renewable Energy Task Force. In addition, he participated in the Arizona Corporation Commission's Standards Working Group and Cost Evaluation Working Group for the Environmental Portfolio Standard.

The presentation will be held in the Global Room on the second floor of ASU SkySong. Attendees can park for free in the ASU SkySong uncovered parking lot. Complimentary refreshments will be served.

Interested participants can RSVP online at [www.PhoenixChamber.com](http://www.PhoenixChamber.com) or call 602.495.6479.

### **ABOUT AMERICAN SOLAR**

American Solar is an Arizona-based design-build firm specializing in photovoltaic (solar electric) power and solar hot water systems and roofing. Headquartered in Scottsdale, the company has served over 3,500 customers and has installed over 19 megawatts of photovoltaic power in the State of Arizona. Additionally, American Solar is partnered with nine homebuilders, across 39 communities, who can attest to the importance of offering renewable technologies to gain a competitive advantage. American Solar's expertise in the industry assures a homebuilder that they are offering the optimal solar solutions to their customers. Additional information on the company's products and services is available on-line at <http://www.americanpv.com>.
