

Phoenix Solar Power Contractor, American Solar, to Host Solar Energy Expo at PebbleCreek Community

Attendees will learn how to save money with affordable solar installations.

Phoenix, AZ ([PRWEB](#)) October 14, 2011 -- [Phoenix solar power](#) contractor, American Solar, will be hosting a Solar Energy Expo at the PebbleCreek Community Tuesday, October 18 from 11:00 a.m. to 1:00 p.m. The event will take place in the Tuscan Falls Clubhouse located at 16222 Clubhouse Drive, Goodyear, Arizona.

The event will consist of two one-hour programs beginning at 11:00 a.m. and 12:00 p.m. Each program will offer a 30-minute presentation on solar energy efficiencies followed by an information expo. Attendees can choose to participate in either program.

Throughout the expo, attendees can gather valuable information on all aspects of installing solar. In addition, company representatives will be on-hand to answer questions. Food and beverages will be provided as well.

“We’re happy to be returning to PebbleCreek and educating homeowners on the financial benefits of installing solar,” said Sean Seitz, president of American Solar. “As Robson’s, the homebuilder of PebbleCreek, solar sub-contractor, we’ve installed more than one million watts of solar energy for over 215 customers in the PebbleCreek community.

“In addition, we’ve been active in the community through sponsorships of softball leagues, festivals and golf tournaments,” continued Seitz. “And, we look forward to providing continued support to our customers and the PebbleCreek community at large.”

In conjunction with the Solar Energy Expo, American Solar will be offering a special incentive. Interested parties who request a free quote by October 18, 2011 will earn a \$500 discount on system purchases. Attendees who request a free quote during or after the expo event will receive \$300 off their system purchase.

PebbleCreek residents interested in attending the Solar Energy Expo can RSVP by visiting www.RSVP4SolarExpo.com, calling 480-994-1440 or e-mailing events@americanspv.com.

About American Solar

American Solar is an Arizona-based design-build firm specializing in photovoltaic (solar electric) power and solar hot water systems and roofing. Headquartered in Scottsdale, the company has served over 3,200 customers and has installed over 15 megawatts of photovoltaic power in the State of Arizona. Additionally, American Solar is partnered with nine homebuilders, across 39 communities, who can attest to the importance of offering renewable technologies to gain a competitive advantage. American Solar’s expertise in the industry assures a homebuilder that they are offering the optimal solar solutions to their customers. Additional information on the company’s products and services is available on-line at <http://www.americanspv.com>.
